CHUDASAMA RUDRA BAIJUKUMAR

AHMEDABAD, Gujarat rudracudasma25@gmail.com 9316284955 in/rudra-chudasma-8aa499307

SUMMARY

Motivated and detail-oriented IT student currently pursuing a Diploma in Information Technology at Silver Oak University. Skilled in programming languages such as Python, C++, and Java, with a solid understanding of database management, cloud computing, and web development. Experienced in using **Android Studio** for mobile app development and proficient in web design using **HTML, CSS**, and **JavaScript**. Passionate about staying updated with the latest technology trends and eager to apply academic knowledge to practical projects. Strong problem-solving abilities with a keen interest in software engineering and digital innovation.

EXPERIENCE

AWS CLOUD

HJ CLOUD **June 2024 - June 2024, Ahmedabad**

- Created and updated responsive websites using PHP with proper functionality, clean code, and cross-browser compatibility.
- Implemented on-page SEO methods such as meta tags, keywords, and structured URLs to increase search rankings.
- Worked towards website speed optimization, enhancing user experience, and partcipated in SEO-friendly design and content approaches.

Developer & Designer

8webcom.com **December 2024 - April 2025, Ahmedabad**

- Developed and maintained responsive websites using PHP, ensuring functionality, clean code, and cross-browser compatibility.
- Applied on-page SEO techniques like meta tags, keywords, and structured URLs to boost search rankings.
- Optimized website speed, improved user experience, and collaborated on SEO-friendly design and content strategies.

PROJECT

LET'S WISH

Our University PBL • June 2024 - November 2024

- **HTML & CSS** for designing the front-end interface.
- **Django** for back-end development and creating dynamic functionality.
- **XAMPP** for setting up and managing the project database.

Outfit Aura

Our University Intranship • December 2024 - April 2025

- Built a fashion-focused website using **PHP** to display clothing collections and styling suggestions dynamically.
- Developed a **custom admin panel** to add, edit, and manage outfits, styles, and categories.
- Used **PHP and MySQL** to handle user interactions, outfit filters, and product data storage efficiently.

EDUCATION

Diploma in IT (Ongoing)

Minor in computer languages • Silver Oak University • Ahmedabad, Gujarat, India. • 2022

CERTIFICATIONS

Institute of Electrical and Electronics Engineers (IEEE)

I received my certificate through the IEEE program at my college. • 2024

- The certificate is relevant because it has helped me learn about the evolution of technology, from older products to new innovations, as well as the latest research in the field of computer science. This knowledge enhances my understanding of current trends and prepares me for future advancements in the IT industry.

Machine Learning Competition

Kalpvruksh from Silver Oak University • 2024

- Participated in the Machine Learning Competition as part of Kalpvruksh – A National Level Multidisciplinary Conclave organized by Silver Oak University, Ahmedabad, from February 7th to 10th, 2024. Developed skills in machine learning and collaborative problem-solving in a competitive environment.

SKILLS

- **Programming and Development**: Proficiency in languages such as C, C++, Java, Python, and web development tools like HTML, CSS, and JavaScript.
- **Database Management**: Experience with Database Management Systems (DBMS) and SQL for effective data storage and management.
- **Networking and Security**: Understanding of computer networks, network security protocols, and cybersecurity concepts.
- **Cloud Computing**: Exposure to cloud platforms such as AWS and basic concepts of Cloud Computing.
- **Software Engineering**: Knowledge of software development methodologies, project management, and version control tools.
- **Web Development & UI/UX**: Skills in web technologies, including frameworks and creating user-friendly interfaces.
- **App Development**: Developed Android applications using **Android Studio**, focusing on basic functionalities and user interactions for mobile platforms.
